HORN OF AFRICA

KENYA

[Kenya remains at high Ebola risk, Health PS says](#) (KBC)

Kenya remains at high risk of importing the prevailing Budibugyo Ebola virus currently ravaging some parts of the DRC and Uganda which have recorded 141 deaths so far.

[HIV prevention: Over 1,000 girls and young women reached in Turkana South](#) (KBC)

More than 1,000 Adolescent Girls and Young Women (AGYWs) aged 15-24 in Turkana South have benefited from a five-day HIV outreach rolled out by Kenya Red Cross and the Africa Inland Church Health Ministries (AICHM) as part of the HIV prevention and control program supported by the Global Fund.

[Kenya to pay compensation to almost 2,000 victims of violent protests](#) (Associated Press)

Kenya will pay compensation to almost 2,000 victims of protest-related human rights abuses, President William Ruto said on 15 June, marking a rare national reparations process outside the judicial system.

Related:

[Kindiki: Kenya's reparations plan focuses on healing, not just compensation](#) (KBC)

[Climate change fuelling mental health crisis in Kenya's informal settlements](#) (Kenya News Agency)

Floods linked to climate change are triggering a silent mental health crisis in Kenya's informal settlements, with new research showing significantly higher levels of depression, anxiety, and post-traumatic stress disorder (PTSD) among affected residents.

[Relief for Nyeri residents as KTDA compensates flood victims with Ksh12.1 million](#) (Citizen Digital)

Relief has finally come for dozens of families in Gituagi Village, Nyeri County, after the Kenya Tea Development Agency (KTDA) compensated residents whose homes and crops were destroyed when the Gura Hydro Canal collapsed during the recent long rains.

[Kenya faces food security threat from rapid land fragmentation and ageing farmers](#) (Kenya News Agency)

Experts have proposed strict implementation and enforcement of the existing land use policies to address continued land subdivision, climate change, and ageing farmer population, which they said is increasingly becoming a major threat to food security in the country.

SOMALIA

[Somalia receives modern equipment from Türkiye to boost farming](#) (Anadolu Agency)

Somalia received modern equipment from the Turkish Cooperation and Coordination Agency (TİKA) on 14 June to strengthen and modernize the operations of the Agricultural and Irrigation Ministry.

SOUTH SUDAN

[South Sudan's Jonglei: Who burned homes and silenced hospitals?](#) (Al Jazeera)

Government and opposition forces accused of destruction in Jonglei amid burned villages and mass displacement.

[Seven killed in renewed violence in Warrap](#) (Eye Radio)

At least seven people have been killed in Warrap State, including five in retaliatory attacks over the weekend, according to the State Government.

Related:

[Seven killed, 56 cattle raided in Warrap–Western Bahr el Ghazal retaliatory attacks](#) (Sudans Post)

[EU pledges continued support for South Sudan constitution-making process](#) (Radio Tamazuj)

The European Union (EU) has pledged to continue supporting South Sudan's permanent constitution-making process through 2026, while urging authorities to safeguard the exercise regardless of decisions on the sequencing of elections.

[South Sudan elections risk failure without key reforms, policy analyst warns](#) (Eye Radio)

SUDAN

[Sudan internal displacement drops to 8.8 million as returns rise, UN says](#) (Sudan Tribune)

The number of internally displaced persons in Sudan has fallen to 8.8 million, driven by a significant increase in people returning to their home areas, the International Organization for Migration (IOM) said on 15 June.

[Drone strikes kill over 1,000 civilians in Sudan in the first five months of 2026, UN rights chief says](#) (Associated Press)

Drone strikes killed more than 1,000 civilians in war-torn Sudan in the first five months of 2026, a senior United Nations official said on 15 June as the unmanned aerial vehicles turn the

conflict deadlier for civilians.

[Sudan documents 2,200 rapes and 31,000 killings during conflict, Attorney General says](#)

(Sudan Tribune)

A Sudanese national investigative committee has documented 2,200 cases of rape and nearly 31,000 killings since the conflict began, Sudan's Attorney General Entisar Ahmed Abdel Aal said on 15 June.

[IFRC condemns killing of Sudanese Red Crescent volunteer in North Kordofan](#)

(Radio Tamazuji)

The International Federation of Red Cross and Red Crescent Societies (IFRC) on 13 June condemned the killing of Sudanese Red Crescent Society volunteer Ahmed Yaqoub Othman, who was killed while providing first aid to wounded civilians in Sudan's North Kordofan State.

[Sudanese survivors seek justice in Kenya](#)

(Ayin Network)

Last week, on behalf of twelve Sudanese victims, Legal Action Worldwide (LAW) and the African Centre for Justice and Peace Studies (ACJPS) – represented by Otieno Ogola and Company Advocates – filed the complaint with Kenya's Director of Public Prosecutions (DPP).

[Sudanese bloc sets conditions for RSF-backed alliance to join political dialogue](#)

(Sudan Tribune)

A prominent leader within Sudan's Democratic Bloc has laid out three conditions for the participation of a paramilitary-backed civilian alliance in upcoming national peace talks, including the removal of Rapid Support Forces (RSF) commander Mohamed Hamdan Dagalo as its head.

[SPLM-N revolutionary current boycotts Sudan political talks over 'fragile solutions'](#)

(Sudan Tribune)

[EU ambassadors visit Khartoum for first time since Sudan conflict outbreak](#)

(Xinhua)

Chairman of Sudan's Transitional Sovereign Council, Abdel Fattah Al-Burhan, on 15 June received a delegation of European Union (EU) ambassadors accredited to Sudan, who paid their first visit to Khartoum since the outbreak of war in the country in April 2023.

SUDAN/NEIGHBOURING COUNTRIES

[MSF staff abused Sudanese refugees in sex-for-food scandal](#)

(BBC)

Medical charity Doctors Without Borders (MSF) admits its staff were accused of sexually

abusing at least 59 Sudanese refugees who had fled the civil war in search of safety.

[Residents flee toward Chad border following deadly attacks in North Darfur](#) (Darfur24)

At least 11 people were killed and 21 others injured after Rapid Support Forces (RSF) fighters launched attacks on villages in the Khazan Urshi area of Umbro locality in North Darfur on 14 June, according to multiple local sources.

GREAT LAKES

SUB-REGIONAL

[Uganda, DRC strengthen cross-border coordination ahead of joint Ebola response plan](#) (Nile Post)

Health authorities from Uganda and the Democratic Republic of Congo (DRC), alongside development partners, have concluded a two-day cross-border meeting in Aru town aimed at strengthening preparedness and coordination against Ebola and other public health threats along the two countries' shared border.

[67 Congolese arrested from Masaka church over illegal entry into Uganda](#) (Monitor)

The police on 14 June raided a church in Masaka City and arrested 67 Congolese nationals for illegally gaining entry and settling in Uganda.

BURUNDI

[Rumonge: Ebola prevention measures poorly observed in public places](#) (RPA, *original in French*)

The lack of effective prevention measures against Ebola virus disease in various public places in Rumonge is causing concern among residents.

[Shortage of chemical fertilizers: The Government cites the increase in demand and the lack of foreign exchange](#) (RPA, *original in French*)

While farmers continue to denounce the lack of chemical fertilizers as the growing season approaches, the Government attributes this situation to the increase in the number of producers and difficulties related to the availability of foreign exchange.

DEMOCRATIC REPUBLIC OF CONGO

[Witnessing joy amid the death: BBC travels to epicentre of Ebola outbreak](#) (BBC)

It is strange to witness singing and dancing in a place which has seen so much death, but the successful treatment of an Ebola patient is cause for celebration at a hospital in the north-east of the Democratic Republic of Congo.

[Health workers struggle to contain Ebola in Congo camps as distrust grows](#) (Reuters)

After the Kpangba displacement camp became the first in this part of war-torn Congo to record deaths from Ebola two weeks ago, health workers rushed to trace those who had come into contact with the deceased to break chains of transmission.

[DR Congo Ebola cases rise to 808, death toll at 192](#) (Reuters)

The number of confirmed Ebola cases in the Democratic Republic of the Congo (DRC) has risen to 808, including 192 deaths, according to the country's health ministry on 15 June.

Related:

[Congo reports record one-day surge in Ebola cases as more health zones affected](#) (Anadolu Agency)

[Ebola outbreak outpaces DRC response](#) (CAJ News)

One month after an Ebola outbreak was declared in the Democratic Republic of the Congo (DRC), aid organization Médecins Sans Frontières (MSF) has warned that efforts to contain the disease are falling dangerously behind its spread, raising fears that the true scale of the crisis remains unknown.

[In DRC displacement camp, Ebola warnings meet dry taps, crowded shelters](#) (The Independent)

At the Kigonze camp for displaced people on the outskirts of Bunia, the capital of Ituri Province in eastern Democratic Republic of the Congo (DRC), the daily struggle against Ebola begins with something as basic as water.

[Ebola in Ituri: Health authorities warn against self-medication](#) (Radio Okapi, *original in French*)

Ituri health authorities are calling on the people to avoid any form of self-medication in the face of Ebola virus disease and to go immediately to a health facility in case of suspicious symptoms.

[Ebola fear grips Bunia as life slows and businesses lose income in Ituri](#) (Africanews)

In Bunia, the epicenter of the Ebola outbreak in the Democratic Republic of Congo, few people want to risk going out socializing for fear of catching the disease.

[DR Congo opposition turns up pressure as referendum battle intensifies](#)

(Africanews/Associated Press)

Fresh clashes during an opposition-led protest in Kinshasa have heightened political tensions in the Democratic Republic of Congo, as opponents of constitutional reform vow to intensify resistance against plans they fear could pave the way for a third presidential term.

RWANDA

[Rwanda opposition leader Ingabire says she's physically unfit for trial](#) (Associated Press)

The trial of Rwandan opposition leader Victoire Ingabire on charges of plotting unrest against the Government was postponed on 15 June for one day after she told the court she was physically and mentally unprepared for the proceedings after a year in detention.

[New human rights law broadens NCHR role, strengthens staff protection](#) (The New Times)

A new law governing the National Commission for Human Rights (NCHR) has expanded the institution's mandate, strengthened legal protections for its staff, and updated its governance framework, signalling a stronger focus on preventing human rights violations.

UGANDA

[Uganda says Ebola-free certificates not required for outbound travel or visa applications](#)

(Xinhua)

Uganda's Ministry of Health said on 15 June that travellers leaving the country do not need Ebola-free certificates, and that such certificates are not required for visa applications to any destination.

Related:

[Government warns against fake Ebola-free certificates targeting travellers](#) (Monitor)

[Uganda opposition figure seized by soldiers as army chief vows 'hurt and pain'](#) (Associated Press)

An opposition figure in Uganda was detained on 15 June on the orders of the army chief, whose increased role in his father's administration has worried opposition and human rights defenders.

SOUTHERN AFRICA

SUB-REGIONAL

[Xenophobia sparks humanitarian crisis: 8000 gather at Durban transit site](#) (Mail & Guardian)

As the late afternoon sun slipped behind the hills, the sound of the Adhan (Muslim) call to prayer rang out across the Sherwood Community Hall grounds in Lockley Road, Durban.

Related:

[Deported Malawians 'stranded' at border](#) (Nation Online)

[Malawi launches massive fundraising drive to finance rescue of 10,000 citizens trapped in South Africa](#) (Malawi Nyasa Times)

MALAWI

[Refugees flee camp as aid crisis bites](#) (Malawi24)

Worsening funding shortages and deteriorating living conditions are reportedly forcing many refugees to leave Dzaleka Refugee Camp in Dowa in search of survival.

SOUTH AFRICA

[Shivambu, Ngobese-Zuma agree on joint anti-illegal immigration campaign, but analyst calls for probe](#) (IOL)

Afrika Mayibuye Movement leader Floyd Shivambu and March and March leader Jacinta Ngobese-Zuma have agreed to collaborate on initiatives aimed at addressing undocumented and illegal immigration in South Africa.

[African migrants with deep roots in South Africa flee xenophobic attacks](#) (Reuters)

When 33-year-old Princess Adjei set up her hair salon in downtown Durban in November, she had lived in South Africa since moving from Ghana as a toddler; there was no other place she called home.

[Foot and mouth disease in South Africa: How a tracking system would control outbreaks](#) (The Conversation)

Foot and mouth disease is common in South Africa's wildlife reserves.

ZIMBABWE

[Zimbabwe targets to re-enrol out-of-school learners after 40,000 dropped out in 2025 alone](#) (NewZimbabwe)

Government has rolled out a programme to locate and return to class thousands of pupils who abandoned school last year, after data showed almost 40,000 learners exited the education system due to various hardships.
